

Time: Saturday, April 27, 2019 9:00 am --- 4:00 pm

Location: Double Tree by Hilton Hotel, 201 E MacArthur Blvd,  
Santa Ana, CA, 92707

Sino-American Biotechnology and Pharmaceutical  
Professional Association Orange County / Los Angeles  
(SABPA OCLA)

## SABPA 14th Annual Biomedical Forum

This exciting forum by SABPA OC/LA will bring you the latest innovations in biomedical industries, cutting-edge developments of pharmaceuticals and medical devices, entrepreneurship, FDA strategies, and career development. We aim to provide an attractive platform to promote life sciences and biotechnology, connect entrepreneurs, scientists, investors and students, and stimulate alliances across biomedical industries in SoCal and Pacific Asia. Join us for the exciting learning and networking opportunities! Follow SABPA OC/LA at <http://www.sabpa-ocla.org>

### Program Highlights

- Traps and Tricks in Starting Business
- Material Science Role in Medical Device
- Cellular Engineering for Cancer Immunotherapy
- Interaction Strategies with FDA Compliance
- Treat and Prevent Blindness from Ocular Cancer to AMD
- IP Strategy for Small Startup Biotech Companies
- Next Generation Hiring

Lee Sun  
VP R&D,  
Celonova BioSciences

Fan-Gang Zeng  
Professor  
UC Irvine

Raymond Brullo  
Compliance Officer  
US FDA

David Carpi  
COO,  
3T Ophthalmics

Brent A. Johnson  
Patent Attorney  
Maschoff Brennan

Ying-Xiao Wang  
Professor  
UC San Diego

Laura Curtin  
Vice President  
ATR International
